

LIFETIME WARRANTY

C-Sert Manufacturing warrants repairs made with C-Sert products for the lifetime of your equipment. This warranty provides for full product replacement and freight, at no charge to our customers.

What is covered:

Thread failure: due to stripping, nicking, general wear, and all other mechanical causes, excluding only corrosion.

Mechanical failure: due to pull-out and back-out (including vibration).

As our customer, your only obligations under this warranty are to follow **C-Sert Manufacturing's** installation instructions, and to open up an accurate pilot hole to the diameter specified by **C-Sert**.
